

Supreme Pro IV Waterproof Headset

Hearing Protection, Amplification and Communication

-Multifunction Hearing Protection

Sordin's *Waterproof* Supreme is developed to conform to international MIL-specifications and other extreme conditions.

This headset is currently being used by NATO forces in active duty around the world!

The electronic design is based upon our own ASIC circuit and controlled by a micro-processor. This makes it possible to combine very low current consumption with high performance.

Features:

- ◆ Two separate microphones reproduce ambient sound within the headset
- ◆ Fully waterproof down to 1 metre for 30 minutes
- ◆ Fully operational after exposure to IP67 conditions
- ◆ Close fitting slim design with foldable headband
- ◆ Rugged dynamic noise cancelling boom microphone
- ◆ All electronic functions incorporated in a slim 3 button key-pad
- ◆ Over 600 hours of battery life from 2 x AAA batteries
- ◆ Battery Save Function and Low Battery Warning system
- ◆ Two sets of audio speakers ensure the headset always has live communication with two-way radio , even if batteries for the 'active' are completely dead
- ◆ Available without boom microphone (Product code: 75308)
- ◆ High passive attenuation
- ◆ Fitted with 4-pole Nexus connector for easy connection to PTT interface
- ◆ Flexible and shape-stable headband

Listen to us before it's too late!
