

TECHNICAL DATASHEET

SAFE 1 Carrier
20902-001

DESCRIPTION

The SAFE 1 mounts quick and easy to any Hellberg Secure™ headband style hearing protection. The carrier is developed in conjunction with the hearing protector, fits perfectly and holds the visor firmly in place. The mesh patterned browguard protects against impacts and gives a comfortable air flow. Hellbergs smart uniform design gives you multiple choice of different visors, that all fits perfectly to your carrier.

Suitable for general purpose applications where face and hearing protection is needed such as brush cutting, gardening, landscaping and grinding.
